Hi Eric, this is Fred Reed.

Are you planning on going to the Memphis paper money show in JUne?

If so and you would like to I'd be delighted to have you as

one of the speakers for the 7th annual SPMC author's forum

on the new edition of your early paper money book or possibly on its

evolution over the last four decades.

.

Presentations are short, about 15 minutes, so nobody is overtaxed.

There will be six speakers in all,

regards, Fred

Dear Fred:

I have never been to a Memphis Paper Money meeting. This is because of my general practice of not going to conventions as it is too difficult for me physically. You were nice to invite me and I appreciate it. Of course I would enjoy it if I could attend it.

My best,

Eric

Hi Eric, this is Fred Reed.

Do you know where the five original 1880 Thian Registers are located now?

regards, Fred

I do not have the slightest idea where they are. Suggest you ask Pierre Fricke whose fairly new address I think is Post Office Box 1094 , Sudbury MA 01776. His Email is [REDACTED] Cell Tel: 404 895 0672.

My best Eric
